

Discipleship Covenant

In my desire to follow Jesus, be changed by Jesus, and live on mission with Jesus, I commit myself to the following standards over the next 12 months:

1. I commit myself to grow in **PRIVATE DEVOTION**, knowing these spiritual practices will help me abide in the presence of God and grow in intimacy with Jesus through the work of the Holy Spirit.
2. I commit myself to grow in **BIBLICAL COMMUNITY**, knowing that in order to grow to maturity in Christ I must engage in mutually discipling relationships where honesty, trust, accountability, and vulnerability, help me, and those around me to become like Jesus.
3. I commit myself to grow in **MISSIONAL LIVING**, by serving others and sharing the hope of Jesus in my neighborhood, my workplace, my church, and the broader community.
4. I commit myself to grow in **KINGDOM STEWARDSHIP**, knowing that every good thing in my life has been entrusted to me by God and I humbly submit to and obey Jesus in order to glorify Him with my time, talent, and treasure.
5. I seek to fulfill the great commission (Matt. 28:19-20) by intentionally and relationally discipling others. I commit myself to be a disciple that makes disciples so that we might see a multiplicative movement of God begin in and through the life of my church family.
